

Do you sometimes wonder if people really understand what this community needs?

Would you like to make a difference but don't know where to start?

Do you feel that your voice is never heard?

Are there things you wish you had the power to change?

The team at the Eccy are developing new project to support local people in finding their voice.

Through a series of fun and informal get-togethers, you will be given the chance to share your dreams and frustrations.

We will work with you to build your skills and confidence in sharing your hopes and ideas.

Together we will have the chance to engage with and influence some of the key decision makers in our community.

Why not come and join the conversation
